

CRYSTEDGE INVESTMENTS

Investment Proposal

1. Fund Overview

- **CrystEdge** Investments is Ethiopia's first hedge fund company. Our mission is to deliver both short-term and long-term capital growth by trading a diverse portfolio of global markets, including foreign exchange, commodities, cryptocurrencies, and stocks. We aim to provide financial freedom to every investors by combining professional trading expertise with strict risk management.
- **By investing** in CrystEdge, individuals become shareholders in a global financial firm.

2. Investment Strategy

- ✓ **Our dual investment approach balances growth and risk:**
 - **Long-Term Capital Growth:** Investing in strong stocks, undervalued cryptocurrencies, and commodities with the goal of steady compounding over years.
 - **Short-Term Active Trading:** Trading crypto, and comoditys using technical analysis, funda mental analysis and giopoletics to generate consistent monthly profits.

Investment Type	Allocation (%)
Short-Term Crypto	65%
Cash Reserve	20%
Long-Term Crypto	10%
Stocks	10%

3. Target Market

- ✓ **Our fund** serves a broad range of investors, from beginners with 1,000 ETB to professionals seeking active management. We focus on trust, transparency, and accessible investment opportunities for Ethiopians and international clients.

4. Investment Terms and Conditions

Minimum Investment & Lock-In

- ✓ **The minimum investment** is 1,000 ETB and maximum is 369,000 ETB for initial investors. All capital is locked for a minimum of 6 months to stabilize trading activities.

Fee Structure

Fee Type	Rate	Description
Management Fee	2% monthly	Charged monthly on total assets to cover operations
Performance Fee	30%	Charged on profits exceeding previous peak (High Water Mark)

Profit Distribution and Withdrawals

- ✓ - Investors may request withdrawals every 6 months 6 days before the withdrawal.
- Profits can be withdrawn or reinvested during withdrawal windows.
- Emergency early withdrawal allowed with penalties.

Drawdown Protection

- ✓ - Max drawdown limited to 36%.
- Trading paused if drawdown exceeds limits.
- Risk managed using stop losses and position sizing.

Example: Investor Account Growth & Fees

Period	Starting investor Balance	Profit/Loss	Management Fee (2%)	Performance Fee (30%)	Ending investor Balance
Month 1	10,000 ETB	+2,000 ETB	200 ETB	600 ETB	11,200 ETB
Month 2	11,200 ETB	-500 ETB	224 ETB	0 ETB	10,476 ETB
Month 3	10,476 ETB	+1,000 ETB	209 ETB	179 ETB	11,088 ETB

5. Fee Structure & Incentives

- ✓ - Monthly management fee of 2% supports fund operations.
- Performance fee of 30% incentivizes delivering profits.
- Fees charged only on new profits per the high-water mark policy.
- Investors receive monthly profit reports.
- Withdrawal requests processed twice per year (every 6 months).

6. Legal & Regulatory Compliance

- ✓ **We follow** anti-money laundering (AML) and know-your-customer (KYC) policies. Investor funds are held in segregated accounts separate from company funds. All investor contracts clearly define fees, risks, and withdrawal terms.

7. Trading Infrastructure

- ✓ **We trade through** regulated brokers such as Bybit (Crypto), and Interactive Brokers (Stocks). Trading platforms include MT5 and Python-based automation tools. Capital is managed through a Master Account with multi-account management for segregation. **Trades are logged** with detailed analytics including win rate, risk-reward ratio, and monthly performance.

8. Risk Management & Drawdown Control

- ✓ **Our strict** risk policy limits individual trade risk to 1-2% of capital and total drawdown to a maximum of 15% monthly. Stop losses are enforced on every trade, and capital is diversified across multiple markets to reduce volatility.

If a drawdown limit is breached, trading is halted, and capital preservation strategies activate.

9. Competitive Advantage

- ✓ - Over 3 years of active trading experience by our team using our strategy and pythonalgorithms.
- Dual strategy combining short-term gains with long-term growth.
- Low entry point with professional-level management.
- Transparent fee structure aligned with investor profits.
- Regular reporting and investor access to performance dashboards.

10. Performance Reporting & Disclaimers

- ✓ - Investors receive detailed monthly performance reports covering profit/loss, risk metrics, and upcoming market outlook.
- All trading involves risks; past results do not guarantee future returns.
- Investors agree to the 6-month lock-in and fee structures before participation.
- Early withdrawal penalties apply to maintain fund stability.

11. Investor Rights

- ✓ 1 investors can withdraw every 6 months 6 days before the withdrawal.
- ✓ 2 investors have right to get detailed monthly performance reports covering profit/loss, risk metrics, and upcoming market outlook one time per month
- ✓ 3 they can get financial service with limited time

12. Why Invest with CristEdge?

- ✓ First Hedge Fund in Ethiopia
